**Security Message for U.S. Citizens – General Labor Strike Scheduled for Thursday,**  
**August 28, 2014**

The U.S. Embassy informs U.S. citizens living and traveling in Argentina of a general strike planned for Thursday, August 28. Disruptions in public transportation and traffic could begin as early as Wednesday, August 27, as well as possible delays and cancellations of flights into and out of Buenos Aires. While the strike will likely focus on Buenos Aires, disruptions may also take place countrywide. You should frequently check your scheduled flights with Aeropuertos Argentinos' general information line, 5480-6111, which will direct inquiries to the correct airport office with a recorded message in English and Spanish.

The Consular Section will be closed for routine public services on Thursday, August 28. In the event of an emergency involving a U.S. citizen, please contact the Embassy at (54) (11) 5777-4873. If you have previously scheduled an appointment for August 28, please visit the embassy's [website](#) to reschedule.

Even demonstrations intended to be peaceful can turn confrontational and escalate into violence. You should avoid areas of demonstrations, and exercise caution if in the vicinity of any large gatherings, protests, or demonstrations. Review your personal security plans; remain aware of your surroundings, including local events; and monitor local news stations for updates. Maintain a high level of vigilance and take appropriate steps to enhance your personal security.

We strongly recommend that U.S. citizens traveling to or residing in Argentina enroll in the **Department of State's Smart Traveler Enrollment Program (STEP)**. STEP enrollment gives you the latest security updates, and makes it easier for the U.S. Embassy or nearest U.S. Consulate to contact you in an emergency.
